

## 4. Terms and conditions

EVO Human Performance (EVO HP) and the customer described on page 1 (The customer), enter into an agreement (The agreement) on the terms and conditions of this form (The order form), as well as those of the EVO HP terms and conditions (Version 1) (The T&Cs) and EVO HP's privacy policy (The Privacy Policy), both of which are hereby incorporated by reference into, and form part of, this order form as it set out in full herein.

Available online are the T&Cs<sup>1</sup> and the privacy policy<sup>2</sup> or they may be requested from EVO HP. They should be read carefully as they form an integral part of this agreement and contain important information such as a limitation of liability provision in the T&Cs. Unless otherwise stated in this order form, to the extent of any conflict inconsistency between any of these order forms, the T&Cs, the privacy policy, and any applicable and user license agreement, the first-mentioned document in this sentence shall prevail over the latest. This agreement is in the English language only and any other language versions are accommodation only and not binding on the parties.

By executing this order form, the customer's signature confirms that they are authorized to sign the order form on behalf of the customer, and that the customer has in place all approvals necessary to enter into and perform, and accept the terms and conditions of the agreement.
